MEMBERSHIP and DONATION FORM

Dear Friends;

60 people/day or 2.5 people/hour sustain a traumatic brain injury in BC

Imagine that your life has changed in an instant. You've just had a brain injury from a fall, a car crash, assault or stroke. Maybe you are no longer able to do things that you used to find simple or people say you are different and stop checking in on you. Work is disrupted, bills start to pile up and it is too confusing to figure out where to turn for help.

We can help. The Fraser Valley Brain Injury Association (FVBIA) has been providing services, opportunities, supports and skill development for people with brain injuries throughout the Fraser Valley since 1997.

You can help too! Your membership, donations and sustaining memberships do make a tremendous difference in the lives of people with acquired brain injuries.

Your contributions will help FVBIA continue to expand the high quality of support and services we offer to people with brain injuries and their families, regardless of age or cause of injury.

You are helping us provide:

- Support and Skills Groups
- Drop in & Community Recreation Programs
- Case Management Services
- Health & Wellness Groups
- Prevention & Safety Education
- Young & Arts Summer Camps for Children
- Family Education & Support

FVBIA is a Registered Charitable Organization so your contributions are eligible for a tax receipt.

Thank you for your generous support!

Sincerely,

Harry Snyder
