**Thursday September 24, 2020
Redwoods Golf Course
22011 88th Ave., Langley, BC**

This annual tournament will be held at the beautiful Redwoods Golf Course in Langley, BC. (22011 88th Ave. Langley, BC).

Due to COVID-19 restrictions, the tournament will be a bit different this year but will be just as much fun!

- Teams will start consecutively (starting tee-times will depend on number of registered teams).
- Lunch will be included during your round, but there will be no sit down dinner.
- Golf winners will be announced online.
- The Silent Auction will be held online.
- Golf prizes and auction items will be either delivered or can be picked up at the FVBIA office by appointment.
- All activities will be held with physical distancing measures in place.

Since 1997, the Fraser Valley Brain Injury Association has been working as an advocate for people of all ages with acquired brain injuries and striving for the development of appropriate services, opportunities, rehabilitation and training for all survivors of brain injury throughout the Fraser Valley. Your participation will help preserve the high quality of support and services offered to people with acquired brain injuries and their families.

Even if you cannot join us for golf, you can still help by:

- Donating a prize for the auction or golf teams
- Sponsoring a hole or contest
